

Toddler Programs and Tuition (2011-12)

Toddler is a one-year program, after which children go to pre-school. Each year is approximately nine months starting in the fall and ending in the spring. Parents may opt to continue their children's enrollment during our summer months. The Montessori curriculum extends throughout each program. Certified teachers are available to the children all day, from the time we open until the time we close.

Tuition is paid in monthly installments. The first installment and a non-refundable yearly enrollment fee of \$200.00 are due at the time of enrollment. Tuition payments are due the first business day of the month. We offer a 3% discount if you pay the full year's tuition before school begins (full academic year enrollments only). Siblings of children currently enrolled automatically receive a 15% tuition discount.
